**Em** - x22033

**C** - x30033

[Intro]

**G D/F# Em C D/F#**

**G**

Dark Red, the colour of your blood drawing the wrist

**D/F#**

Cobalt Blue, the colour of the sky holding it all

**Em**

Pale Purple, umbrella, you keep from me trembling

**C**

**D/F#**

True Orange, everything coloured by the setting sun

**G**

Chrome Yellow, you said to me it calls us happiness

**D/F#**

Moss Green, the hills of our town which kept us there

**Em**

Scarlet, the colour of the children's cheek you loved

**C**

**D/F#**

Snow White, it covered every sorrows among us

**G**

Colourful world we had been everywhere we're standing

**D/F#**

Colorful world we had lost everything

**Em**

**C**

But you were standing, you were breathing just there

**D/F#**

Under that each colours

**G**

Every light on the street had meaning of each story

**D/F#**

Everyone believed in life day by day

**Em**

**C**

But we would start it, we must start again ourselves

**D/F#**

Put on the new colours again

**G**

Light Blond, you showed me your calm hair proudly

**D/F#**

Bright Gold, the picture frame you always smile at me.

**Em**

Silver, the carved spoon we bought to start our life

**C**

**D/F#**

Dull Grey, I dyed all in all after you have gone

**G**

Transparent, the heart of the baby born today

**D/F#**

Flesh Colour, seeing my hand grasped tightly

**Em**

All Black, the colour of beginning of new days

**C**

**D/F#**

Deep Brown, walking this land we have to go forward

**G**

Colourful world we had been everywhere we re standing

**D/F#**

Colourful world we had lost everything

**Em**

**C**

But you were standing, you were breathing just there

**D/F#**

Under that each colours

**G**

Every light on the street had meaning of each story

**D/F#**

Everyone believed in life day by day

**Em**

**C**

But we would start it, we must start again ourselves

**D/F#**

Go on the road

**G**

**D/F#**

**Em**

**C**

**D/F#**

Good Bye Bye Yeah ....
