

Am F G C G/B  
When you look in the mirror and run away

Am F G  
cause all you see are all the scars from yesterday

Am F G  
When the parade goes by and you feel alone

C G/B Am  
Never lose hope to sorrow

**F** **G**  
You re closer than you know

### Chorus

**Am** **F**  
Hold on when everything is shaken  
**C** **G**  
Stand strong the ground is falling through  
**Am** **F** **C** **G**  
Reach out to my hand in the darkness that s holding you  
**Am** **F**  
I ll be your peace in the waiting  
**C** **G**  
Your strength when you re broken on the floor  
**Am** **F** **G**  
Hold on its all worth fighting for  
**Am F C G**  
cause I will never let you go  
**Am F**  
I will never let you go

### Bridge

**Dm**  
When your road is hard and your faith is shaken  
**Am**  
Never look back on the steps you re taking  
**F** **G**  
You re more to me than you could ever know

### Chorus

**Am** **F**  
Hold on when everything is shaken  
**C** **G**  
Stand strong the ground is falling through  
**Am** **F** **C** **G**  
Reach out to my hand in the darkness I m holding you  
**Am** **F**  
I ll be your peace in the waiting  
**C** **G**  
Your strength when you re broken on the floor  
**Am** **F** **G**  
Hold on its all worth fighting for  
**Am F C**  
cause I will never let you go (never let you go, never let you go)

**G**                                **Am**                                **F**                                **C**  
I will never let you go (never let you go, never let you go)  
**G**                                **Am**                                **F**                                **C**    **G**  
I will never let you go (never let you go, never let you go)  
             **Am**                                **F**                                **G**  
You re more to me than you could ever know
