How Far

Intro: **E A E A**

E A
Most of my life I have spent alone
E A
Most of this past year I been searchin for my home
E A
I met a girl she won t leave my mind alone
E A
If she s listening I hope she understands my song. It goes

Chorus:

E A E A
If you get lonely all you gotta do is call me
E A E A
And I ll come on the run wherever you are
E A
No matter how far

Bless my soul I think I m fallin again
I hear my woman she is callin me again
If she needs me I got to go she s my best friend
cause I promised her I remember what I said I said

Chorus

Most of this life is such a hard road to go down go down
Count your blessings on the good friends you got hangin round
It takes two to be friends it takes two to be lovers
Know you got it made when you got one the same as the other Then you say

Chorus
