**E** **F#**  
Makin it hard on each other  
**E** **F#**

Makin it hard on me  
**E** **F#**  
Makin it hard on you  
Its all the same

Chorus:

**B** **A** **F#**  
I m not the one to tell you what to do  
**B** **A** **F#**  
I have no desire to run your life  
**B** **A** **F#**  
Do your thing you know what to do  
**B** **A** **F#**  
Just don t let nobody tell you no lies

Could we retire to a neutral corner  
cause I d like a chance to make myself clear  
You know I m still your friend  
I ve got a few things to say  
And I d like to think that you might want to hear

Chorus

Instrumental (Electric Slide Guitar)

Chorus

Blind stubborn pride drove us apart  
Can t you see the place we went wrong  
You hide in your world and I ll get lost in mine  
All we got left is a song

Chorus

When you decide that you d like to know  
What it is that makes a person go  
When you decide that you believe and you re trustin  
Let somebody open up your soul

Chorus
