Tuning: 1/2 step down

EADGBE  
F-133  
F- 3210  
C- 32100  
G-320001  
Am- 02210  
Em-022000

F C G  
50 cent is my favortie rapper in the whole world  
F C G  
Not because of the rhymes or the shoes or the things or the stuff that he does,  
he owns  
F C G Am  
I just think We d get along

Am G  
he made 400 million,  
F C G  
on that alone you could pretty much be ok for the rest of your life  
G Am Em  
and he bought a boat  
F C  
could ve bought a god damn tv station

F C  
and if i dont get my hands on him soon  
F C  
if i dont get some bling of my own  
F C  
im gonna get straight out of this town  
G  
start again anew

Am  
i need 50cent

Am Em F C

i want to be 50 cent

**F C G**

regardless of his vitamin water campaign ads

**F C G Am**

just think he s a cool guy that id like to hang out with

**F C G**

who knows we should grab a drink and maybe a beer

**F C G**

well if you dont drink beer than coffee

**F C G**

no not coffee either than tea or something like that

**F C G Am G**

Cause i got your first record i dont think anything s done aswell since then

**F C G**

but man that just seems to be how it goes

**F C**

so dont get bummed out

**F C**

cuz even if your raps dont sell out

**F C G**

you ve still got like half a billion fucking dollars

**F C G**

so try to be cool and call me back

**F C G**

i ve left you seven messages since we met

**F C G**

outside the el ray in los angelus

**F C G**

i think you were busy, i dont know

**F C G**

you were holding your sidekick telephone

**F C G**

and i dropped it in my soda of coke

**F C G**

and your bodygaurds beat the fuck out of me

**F C G**

and that part of the los angelaus trip sucked.

END ON C
