Verse 1 chords: [play Intro riff with verse 1]

Cmj7  
I swear I ll tried again, you re never visible on the weekdays  
**Em**  
When I need you to do what you can t afford to do  
Cmj7  
You better watch your tone, you re not invisible you know  
**Em**  
I ll do what I have do to stop the sound coming from you

Chorus 1 chords:

**C**                          **Em**                          **G**                          **Em**          **D**          **C**  
Cause the truth is you re probably not as bad as I make you out to be  
          **Em**                          **G**                          **Em**                          **D**          **C**  
To the boys and the girls, that will listen closely, know  
          **Em**                          **G**                          **Em**                          **D**          **C**  
I m the one that is happy, you can write the coolest songs  
          **G**  **D**  
I was wrong, yeah I m always wrong

Verse 2: [use verse 1 chords]

And my God what do we have here  
I ve been trying hard and you ve been dying hard for years now  
Well I swear I did it all, I ll always be my best flaw  
Please just pick up the phone, am I invincible, you know  
I ll do what I ve gotta do to stop the sound coming

Chorus 2: [use chorus 1 chords]

Cause the truth is you re probably not as bad as I thought that you were being  
To the boys and myself, we re just tired of listening, know  
I m the one that is sorry. Help me write the coolest songs  
You were wrong. Yeah you re always wrong

Interlude: [play intro chords]

Chorus 3: [chorus 1 chords]

Cause the truth is that no one, truly knows what the hell it is you re doing  
When we ask are you dead or are you just sleeping Oh yeah  
I m the one that is happy. I don t like your shitty songs  
You were wrong, yeah you re always wrong

Outro: [play intro chords]
