[Intro]

**B5 D5 G5 F#5**

[Verse]

**B5 D5 G5 F#5**  
Heard don t move unless you know someone you can move  
**B5 D5 G5 F#5**  
And I bruise just like anyone would bruise  
**B5 D5 G5 F#5**  
And I know we ve got a long way to go  
**B5 D5 G5 F#5**  
I know I ve got so far

[Chorus]

**B5 D5 G5 F#5**  
We built this house with our hands, and our time, and our blood  
**B5 D5 G5 F#5**  
You build this up in one day to fall downward and rust  
**B5 D5 G5 F#5**  
You built this house with your hands, and your time, and your blood  
**B5 D5 G5 F#5**  
We built this up in one day to fall downward and rust

[Verse]

I m gone  
You tried to emphasize and side with both your ghosts  
In time I swore I d take the straight and narrow path but still won t  
And I hold his ear I m only trying to do my job tonight  
Kiss him on top his lips and crucify the fire!

[Chorus]

We built this house with our hands, and our time, and our blood  
You built this up in one day to fall downward and rust  
You built this house with your hands, and your time, and your blood  
We built this up in one day to fall downward and...

**G5** **F#5**  
Never really feel the same  
**G5** **A5** **F#5**  
Never gonna be the same  
**G5** **E5** **Eb5**  
No it s never gonna be the same  
**G5** **B5**  
Never gonna be the same

[Chorus]

We built this house with our hands, and our time, and our blood  
We built this up in one day to fall downward and rust  
We built this house with our hands, and our time, and our blood  
You built this up in one day to fall downward and rust

**G5** **F#5** **E5** **D5** **B5** **G5** **F#5**  
Trust in me the same way (with your time, your blood)  
**G5** **F#5** **E5** **D5** **B5** **G5** **F#5**  
Holy or inane (To fall downward and)

**G5** **F#5**  
Never really feel the same  
**G5** **A5** **F#5**  
Never gonna be the same  
**G5** **E5** **Eb5**  
No it s never gonna be the same  
**G5** **B5**  
Never gonna be the same
