AM **F**
Of all my sins, Of everything that I ve done wrong
C **G/B**
I m so ashamed, There s nowhere left for me to hide

This is the day. I must answer for my life.

G/B **C/E** **F**
My fate is in the judges hands.
G/B **C/E** **C**
But then he turns to me and says.

My verdict, Not guilty

C **G/B**
How can it be? I can t begin to comprehend.
AM **F**
What kind of grace would take the place for all my sin.

I stand in awe. Now that I have been set free
AM
And the tears well up as I look at that cross
F
Cause it should have been me.

G/B **C/E** **F**

I gave my life to save you

Love paid the price for mercy
