

Where You Begin
Mandisa

Intro: **C**

C

Today I need you

Just to get through

Today I m breaking under the weight of it all **F**

And I m afraid I might fall **C**

Today I m empty, but I am willing

To keep listening and looking for You in the noise **F**

For Your quiet voice **C**

Are you telling me to go? Are you telling me to stay? **Am F**

Are you telling me to hold on to You for another day? **C G**

Cause I got nothing left and I m hanging by a thread **Am F**

I ll give You all my weakness, You ll give me Your strength **C G**

Cause I m here again, here at my end, where You begin **F C**

C

I ve seen broken turn into beauty

I ve seen redemption come and save the day **F**

So I don t have to be afraid, no **C**

When You re telling me to go, when You re telling me to stay **Am F**

When You r telling me to hold on to You for another day **C G**

When I got nothing left and I m hanging by a thread **Am F**

I ll give You all my weakness, You ll give me Your strength **C G**

Yeah I m here again, here at my end, where You begin **F Dm Am G**

where You begin **C Dm Am G**
