

**If I Dont Live Today**  
**Mando Diao**

Hey Dudes, this is my first Tab here. I hope you like it. Play the different intros with 2 guitars and its going to sound amazing.

Mando Diao - If i don t live today

```

D D U U D U D D U U D U D D U U D U D U D!

First verse:

**G#m** **F#m**  
Take my hand of funeral flowers in white  
**G#m**  
Why did you hurt me so?  
**F#m**  
You said that you never stood out  
**G#m**

So go kiss Ann on the cheek

Sheâ€™s never weak

**F#m**

She likes the way you betrayed me

**F#m**

But don t forget

Chorus:

**E            G#m       C#m                    A                    E    --> G#m C#m A**

If I don t live today, then I might be here tomorrow

**E            G#m       C#m                    A                    E    --> G#m C#m A**

If I don t live today, then I might be here tomorrow

**G#m**

Be here tomorrow

Second verse:

Watch me shine, as all the lights closes down

it s just a talent of mine

You know I die whenever I want

So go chase fortune when I m gone

I m guilty of reading my own past

Chorus
