B E B
If I said something smoothly, could it be a little symphony

E G#m R#m-C#m
Breathing a break, oh that's what you want me to do

B E G#m
Riding along emotions unaware of my own age, darling

C#m R#m C#m B
Lauren, I'm growing much faster than you

E B
And if that Andy drew my soul, I will tear me till I'm dry

E G#m R#m-C#m
Poetic drivel, oh, that's what I want it to be

B E G#m
How can a girl so strong, go and blow it on her own, darling

C#m R#m C#m B B7
Lauren, I'm growing much faster than you

E7 D7 A
And if that cunt tries to beat me in rhythm

E7 D7 G#m
And if that cunt tries to prove me I'm wrong I'm sure that

C#m R#m C#m B
Lauren I'm growing much faster than you
