

Leave My Fire

Mando Diao

F# **B** **C#** **F#**
leave my fire, my fire alone
B **C#** **F#**
leave my fire in the morning
B **C#** **F#**
leave my fire in the evening

F# B C# F#
read my lips, the words they say
B C# F#
read my lips in the morning
B C# F#
read my lips in the evening

B7 **F#**
take whatever you need from here and need me
B7 **C#**
I just wanna feel the lone for a while

F# B C# F#
deja mi fuego, mi fuego solo
B C# F#
dejalo en la madrugada
B C# F#
deja mi fuego en la noche

F# **B** **C#** **F#**
lee de mi labios lo que quiero decir
B **C#** **F#**
lee mis labios mas que nada
B **C#** **F#**
lee mis labios en la noche

B7 **F#**
take whatever you need from here and need me
B7 **C#**
I just wanna feel the lone for a while

F# **B** **C#** **F#**
leave my fire, my fire alone
B **C#** **F#**
leave my fire in the morning
B **C#** **F#**
leave my fire in the evening

F# B C# F#

read my lips, the words they say

B **C#** **F#**

read my lips in the morning

B **C#** **F#**

read my lips in the evening
