

Leave My Fire

Mando Diao

A D E A
leave my fire, my fire alone
D E A
leave my fire in the morning
D E A
leave my fire in the evening

A D E A
read my lips, the words they say
D E A
read my lips in the morning
D E A
read my lips in the evening

D7 **A**
take whatever you need from here and need me
D7 **E**
I just wanna feel the lone for a while

A D E A
deja mi fuego, mi fuego solo
D E A
dejalo en la madrugada
D E A
deja mi fuego en la noche

A D E A
lee de mi labios lo que quiero decir
D E A
lee mis labios mas que nada
D E A
lee mis labios en la noche

D7 **A**
take whatever you need from here and need me
D7 **E**
I just wanna feel the lone for a while

A D E A
leave my fire, my fire alone
D E A
leave my fire in the morning
D E A
leave my fire in the evening

A **D** **E** **A**

read my lips, the words they say

D E A

read my lips in the morning

D E A

read my lips in the evening
