

Macadam Cowboy  
Mando Diao

Capo 3rd fret

**D** **Bm**  
Take this forever sigh, and close your eyes as I step in

**G**  
to get the mother-blow when you re not there

**Gm**  
to get the mother-blow when you re not there

**D** **Bm**  
I fake, when you make something beautiful of nothingness

**G**  
get the mother-blow when you re not there

**Gm**  
to get the mother-blow when you re not there

**A** **Gm** **A** **Gm**  
don t cry my heavy lady, I don t feel anything

**A** **Gm** **E**  
just smile my purple princess, we ll fly away from

**Am** **C** **F**  
deep cheap thrills that eats us alive again

**E**  
and takes our lives away

**Am** **C** **F**  
don t forget the one thing I need is you

**E**  
but I must tell you something strange
