

New Boy

Mando Diao

She was only 21 but so much older than she s now
Now she passed the 24 I guess it s time to say good bye
Here s the new here s the real
Here s the life you like to live
Now hereâ€™s the new boy taking on the world tonight

When we met she smelled like honey
When we kissed she tasted tears
Then for 14000 seconds we made love behind old fears
Here s the new here s the real
Here s the life you wish to live
Now here s the new boy taking on the world tonight

Take the words on your way I don t waste the things I say
When in doubt, fuck the world
Forget all the things you ve heard
Now here s the new boy taking on the world tonight

Why so sad? Don t you like my way of life?
I don t last forever neither do the things we love
You are wise, this is now
This is all the things I want
Everything around us is moving except the time
