-THIS IS A CORRECTION TO THE OTHER TAB OF NEXT TO BE LOWERED :

-VERSE:

D **F#m**
He went twenty thousand lightyears from home

Bm **D**
And agreed he ll be the next to be lowered

G **D**
And though he knew that life ain t just a good start

E **F#**
The advance did break him.

D **F#m**
Filling textures on some tea weathered notes

Bm **D**
and on purpose he just spelled them all wrong

G **D**
and though he knew that life ain t just a good start

E **F#**
He didn t even count with...

-CHORUS:

D **A**
The wild must be drawn

Bm **F#m**
into papers at once

G **F#**
And if you got money then share it too

D **A**
The Race will begin

Bm **F#m**
when it s finished of course

G **F#**
and if there s some money then share it too

G **D** **F#**
and if there s some money then share it too

You re the oldest star ever to fall
Yet you didn t you have failed to be sold
And though you know that life ain t just a good start
Your blues forgotten
The wild must be drawn...
