**F**  
And flown away

When youâ€™re near me I feel so secure and  
When you feared me I felt, I felt even more  
I wanna be the only one  
The only one who knew you when Iâ€™m gone  
**F**  
And flown away  
**Am**  
Iâ€™ve flown away  
**F**  
Iâ€™ve flown away

**C** **E**  
cause I got no more tears to give you after this  
**Am** **F**  
Iâ€™m gonna lock my heart and throw away the keys  
**Dm**

**E**  
My lord I wonâ€™t forget you when I am gone

Didnâ€™t know that I could walk through fire  
Didnâ€™t know that death was my desire  
I wanted to be whole again  
But you were never there to take my hand  
Iâ€™ve flown away  
Iâ€™ve flown away  
Iâ€™ve flown away

Because I got no more tears to give you after this  
Iâ€™m gonna lock my heart and throw away the keys

I hope my love will carry on  
My lord I won't forget you when I am gone

Because I got no more tears to give you after this  
I'm gonna lock my heart and throw away the keys  
I've said it all, I gave you all, you let me standing in the rain  
You broke my pride baby you suffer any pain  
I hope my love will carry on  
My love I won't forget you when I am gone
