C#m **F#m**

Can it be the new thing money enough

D **E**
Where s that hat you loved once

C#m **F#m**
Let us spoil it for a day

D **E**
Bring em in she said just for a day

A **F#m** **A** **F#m**
Just for a daaaaay daaaaay

On the way to you between busy moon
Crash beneath a window left in bloom
The days are few my friend and winter comes again
Clap, clap and the boy is to lose

So who are you gonna follow
Are you going out somewhere
Can it be the new thing money enough
Where s that hat you loved once
Let us spoil it for a day
Bring em in she said just for a day
Just for a day
