E-----|
```

verse:

```
C                                Bb
Get your motor runnin  cause my engine s too hot
G#                                G
And the cooler s runnin  dry as a pimp
C                                Bb
Get your things together cause I m blowing my mind
G#                                G
And that Ronnie is an MTV star
```

chorus:

```
Em                                C
It s my soul honey, that s up at eighty
Em                                Am
And my sweet ride has blown my lady away
Dm      G                                riff*
Soon, my motor s runnin  wild and I m gone
```

same as intro

Verse:

Get your wheelers spinning cause I m riding a lot
And my lady s back at home with her sins
Get your wheelers spinning cause I m cruising at last
And my destination s somewhere between

Chorus:

It s my soul honey that s up at eighty
And my sweet ride love and tries who make sense
Man, I m runnin, wild and now I m gone
