

Telephone Song
Mando Diao

B
sitting with the homeless man
 E **B**
gonna tell him I m in jail
E **B**
throw my baby away and
 F# **E** **B**
and leave me to the unknown place
B
even if I m falling down
 E **B**
I won t be restless all at once
 E **B**
you see I ain t got time to sit and wonder meanwhile
 F# **E** **B**
my lyrics don t mean a thing

E **F#** **B**
it s just a telephone song for you
 E **F#** **B**
that s all that I can do
 E **F#** **B** **G#**
you telling me that I m a fool, baby
E **F#**
hold myself again
 B
I should have taken you home

B
I can t believe its over, it was too good
 E **B**
I m gonna proof myself for sure
E **B**
building my own door
 F# **E** **B**
instead of have this pretty floor

E **F#** **B**
it s just a telephone song for you
 E **F#** **B**
it s all that I can do
 E **F#** **B** **G#**
you telling me that I m a fool, baby
E **F#**
hold myself again
 B **G#**
I should have taken you home

E **F#**
wont you hold myself again
B **G#**
I should have taken you home
E **F#**
and won t you hold myself again
B
I should have taken you home
