Am	Em	G	G6	G7

[Verse 1]

Am Em F C C/B  
Just like an old friend, kinder than expected  
Am Em F  
That Cadillac came and gave our girl the ride  
Am Em F C C/B  
Loss has no end, it binds to our connection  
Am Em G  
And we donâ€™t speak of it, we donâ€™t even try

[Chorus]

F G  
If you could help me to share the trouble  
C F  
That youâ€™ve got burnin in you, then you can help me  
C G  
And in our time together her memory will ever  
F  
Shine like golden embers in the night

[Solo]

Am	Em	F	C	C/B
Am	Em	F	F	

[Verse 2]

Am Em F C C/B  
I miss the old hymns, when she used to sing  
Am Em F  
The sparrows spread their mortal wings  
Am Em F C C/B  
For now theyâ€™ve all alighted, with the silence of strings  
Am Em G  
Like notes on the pages, she breathed life into all things

[Chorus]

F G  
If you could help me to share the trouble  
C F

That youâ€™ve got burnin in you, then you can help me

**C**

And in our time together her memory will ever

Shine like golden embers in the night
