

Gardenia

Mandy Moore

There are a few versions of this song posted on the internet, but none of them sound just right to me, because of that second chord. Most have it as a Bm or E (which doesn't even sound close) but I play it with an Em7, which I think sounds a lot closer to the recorded version.

Intro: D G D G D G D G

Well, I put so much thought into getting ready
Now I know that was the best part
It's so easy to get caught up in what I'm regretting
Forget what I got from a wounded heart

I'm the one who likes Gardenia
I'm the one who likes to make love on the floor
I don't want to hang up the phone yet
It's been good
Getting to know me more

I've been seeing all my old friends in the city
Walking alone in Central Park
Doing all the things that I've neglected
Traded 'em all in to be in your arms

I'm the one who likes Gardenia
I'm the one who likes to make love on the floor

D **Em7**
I don t want to hang up the phone yet
A **G**
It s been good
A **G** **D**
Getting to know me more

D
Well, I hear my own voice
Em7
Sounds so silly
G **A**
Keep on telling my story all around
D **Em7**
Everything I lost seems so different
G **A**
Well, this is how everybody gets found
