```

[Verse:]

A

Drove to your house in the hills

D

Where I wanted to be

A

The lights were all on

D

And I knew you were waiting for me

E

And that road became familiar

D

Like the mystery shape of your heart

[Chorus:]

F#m

E

D

And I know you loved me in your way

B

D

E

I m looking forward to looking back on these days

F#m

E

D

And I m fine, but I m not okay

B

D

E

I m looking forward to looking back on these days

[Verse:]

A

D

The fog in the morning clouded the world that we knew

A

D

It was almost enough being lonely and living for you

E

And the rain came to our window

D

And I wish I could ve stayed

[Chorus:]

F#m

E

D

And I know you loved me in your way

B D E

I m looking forward to looking back on these days

F#m E D

And I m fine, but I m not okay

B D E

I m looking forward to looking back on these days

[Bridge:]

A

Let it go

D

Let it go sunshine

A

Now you know

D

Now you know its time

A

It s time

[Verse:]

A

You were asleep while I gathered my things in the dark

A

The burns on my fingers were all that was left of the spark

E

Didnt want to wake you

D

Cause I knew I couldn t say

[Chorus:]

F#m E D

And I know you loved me in your way

B D E

I m looking forward to looking back on these days

F#m E D

And I m fine, but I m not okay

B D E

I m looking forward to looking back on these days
