C **Bm** **C** **G** **C** **D**
Please don't let on that you knew me when
Em **G** **Dsus4** **D** **Dsus2** **D**
I was hungry, and it was your world

G **Bm** **C** **D**
Oh you fake just like a woman, yes you do now
G **Bm** **C** **D**
You make love just like a woman
G **Bm** **C** **D**
And then you ache just like a woman
C **D** **G**
But you break just like a little girl
Bm **C** **D**

When you do that you're so like a woman baby

I guess I love you now

You're so like a woman baby

You fake, take, break...
