Em **D**
Through the night, through the dawn

Em **D**
Behind you another runner is born

Em **D**
Don't look back, you've been there

Em **D** **C**
See the mist as your breath hits the air

Em **D** **Em** **D**
And it's underneath the moonlight, passing some
Em **D** **Em** **D**
Still your heart beats in the moonlight like a drum

Em **D**
Through the night, through the dawn

Em **D**
Behind you another runner is born

Em **D**
Don't look back, you've been there

Em **D** **C**
Feel the mist as your breath hits the air

Em **D** **Em** **D**
And it's underneath the moonlight, passing some
Em **D** **Em** **D**
Still your heart beats in the moonlight like a drum

C **D** **Bm** **C**
And you will run your time,
D **Bm** **C**
a shooting star across the sky

D Bm Em
And you will surely cross the line

(to pass on the flame)

Em D
Sun come up, sun go down

Em D C
Hear the beat, see the sweat on the ground

Em D
Watch your step, keep your cool

Em D C
Though you can't see what's in front of you

Em D
Through the night, through the dawn

Em D
Behind you another runner is born

Don't look back, you've been there
