  The song uses three guitars: No. #1 is an acoustic which plays chords
                                No. #2 is a distorted electric which plays
                                    the lead and fills in the verses
                                No. #3 is a heavily muted electric which
                                    picks the chords in the second
                                    and third verses
```
