Asus2 Asus2 E E
When did life get so, get so complicated
Asus2 Asus2 E E
When did life start, start accelerating
F#m
Make life slower
Asus2
Stop life growing

Embrace with us - make your own glasnost

Asus2 Asus2 E E
And in defeat, cling to these words so clear
Asus2 Asus2 E E
Humiliations not easily understood
F#m
Onto the future
Asus2
Such messages are burned

E F#m A
If we can still fall in love
E F#m A
If we can still fall in love
