lyrics:

blessed be the blade
blessed be the size
dyonosis
against the crucified

blessed be the blade
blessed be the size
dyonosis
against the crucified

find your truth
face your truth
speak your truth
and be your truth

find your truth
face your truth
speak your truth
and be your truth

clean your flesh (this line changes to kiss your wounds after solo 2)
and mock your fears
the brightest sun
is the purest god

heel yrself
hurt yrself
judge yrself
