

This Is The Day
Manic Street Preachers

Intro: C Am D F

C **Am**
You didn't wake up this morning cause you didn't go to bed.

D **F**
You were watching the whites of your eyes turn red.

C **Am** **D** **F**
The calendar on your wall is ticking the days off.

C **Am**
You've been reading some old letters,

D **F**
You smile and you think how much you've changed,

C **Am** **D**
And all the money in the world

F **C**
couldn't bring back those days.

C **E** **F** **D**
You pull back the curtains, and the sun burns into your eyes,

C **E** **F** **D**
You watch a plane flying, across a clear blue sky.

C **Am** **D** **F**
This is the day your life will surely change.

C **Am** **D** **F**
This is the day when things fall into place.

C **Am** **D** **F**
You could've done anything, if you'd wanted

C **Am** **D** **F**
And all your friends and family think that you're lucky,

C **Am**
But the side of you they'll never see

D **F**
Is when you're left alone with the memories

C **Am** **D** **F** **C**
That hold your life together, together like glue.
