Manic Street Preachers

Am D G C Am D  
They sit around tables rendered dumb  
Am D G C Am D  
Coloured sticks of chalk are passed around

Em C  
Today the doctors allow the illusion of choice  
Em C  
Tomorrow the necks split, there is no voice

CHORUS:

G D  
Piggy V-S-E-C  
Am  
Clean - cooking - flower-arranging  
Fmaj  
Dissolves a kind of liberation

Draw a perfect circle, sleep foetus-like  
Six chalk colours the very meaning of life  
They wake to strobes and half circled light  
confusion lifts with potassium percolate
