A vision from inside my head

Death would grip humanitiy

A new Solar Ice Age

An Earth that no science could save

The world committing nuclear suicide

[Verse]

E5 C5 D5 A5 E5
Inside this hazy world of dreams I ve never known
E5 C5 D5 A5 E5
I ve seen the wrath come down and turn mankind to stone
E5 C5 D5 A5 E5
And then I realized that this be Eschatus
E5 C5 D5 A5 E5
A holocaust of flames to burn Midgard to dust

E5 **C5** **D5** **A5** **E5**
 It has been called by many names throughout the years
E5 **C5** **D5** **A5** **E5**
 Still they all mean the same, man burning in his fears
E5 **C5** **D5** **A5** **E5**
 The Anti-Christ will come and rise up through the sea
E5 **C5** **D5** **A5** **E5**
 The Dreams of Eschaton have shown this all to me

[Chorus]

F#5 **E5** **G5** **D5**
 Before the Gods of Hell sentence you to die
F#5 **E5** **G5** **D5**
 Remember well my friend a warlord never cries
F#5 **E5** **G5** **D5**
 These are the words that I ve heard inside my mind
F#5 **E5** **G5** **D5**
 When Ragnarok comes down we ll all run out of time

[Verse]

E5 **C5** **D5** **A5** **E5**
 I hope that you can see that this is not a game
E5 **C5** **D5** **A5** **E5**
 We don t just sing to thee to win fortune and fame
E5 **C5** **D5** **A5** **E5**
 The souls of all of us are priceless to the last
E5 **C5** **D5** **A5** **E5**
 These dreams could be our fate of living life too fast

E5 **C5** **D5** **A5** **E5**
 And so I say to thee watch the skies above
E5 **C5** **D5** **A5** **E5**
 For when the darkness falls and rivers turn to blood
E5 **C5** **D5** **A5** **E5**
 Then Arthur shall return to fight for peace and truth
E5 **C5** **D5** **A5** **E5**
 To slay the beast of hell and save the righteous few

[Chorus]

F#5 **E5** **G5** **D5**
 Before the Gods of Hell sentence you to die
F#5 **E5** **G5** **D5**
 Remember well my friend a warlord never cries
F#5 **E5** **G5** **D5**
 These are the words that I ve heard inside my mind
F#5 **E5** **G5** **D5**
 When Ragnarok comes down we ll all run out of time

[Solo]
