Dark Lord, I summon thee

Demanding the sacred right to burn in hell,
Ride up on hells hot wind.
Face one more evil than thou, take my lustful soul,
Drink my blood as I drink yours, impale me on the horns of death
Cut off my head release all my evil
Lucifer is king Praise Satan

I know the one who waits
Satan is his name
Across the bridge of death
There he stands in flame
I know the one who waits
Satan is his name across the bridge of death
There he stands in flame.

He is my provider as I walk into the Void
For eternity I give him my soul
I shall do his bidding obey him without question
Even walk among the living if I m told

Satan don t forsake me I wait for you to take me
