Courage

Manowar

G Some want to think hope is lost see me stand alone I can t do what others may want then I ll have no home \mathbf{Bm} Α So for now wave good-bye and leave your hands held high G Hear this song of courage long into the night F#m Α So for now wave good-bye and leave your hands held high G Hear this song of courage long into the night BmF#m And the wind will bear my cry to all who hope to fly D G Hear this song of courage ride into the night Battles are fought by those with the courage to believe They are won by those who find the heart Find a heart to share This heart that fills the soul will point the way to victory If there s a fight then I ll be there, I ll be there BmΑ So for now wave good-bye, leave your hands held high G Hear this song of courage long into the night \mathbf{Bm} And the wind will bear my cry to all who hope to fly Lift your wings up high my friend fearless to the end Α BmSo for now wave good-bye, leave your hands held high

Hear this song of courage ride into the night
