

Courage
Manowar

F **C** **F** **C**
Some want to think hope is lost see me stand alone
F **C** **F** **C**
I can't do what others may want then I'll have no home
C **G** **Am** **Em**
So for now wave good-bye and leave your hands held high
F **C** **F** **G**
Hear this song of courage long into the night
C **G** **Am** **Em**
So for now wave good-bye and leave your hands held high
F **C** **F** **G**
Hear this song of courage long into the night

C **G** **Am** **Em**
And the wind will bear my cry to all who hope to fly
F **C** **F** **G**
Hear this song of courage ride into the night

Am **F** **C** **G**
Battles are fought by those with the courage to believe
Am **F**
They are won by those who find the heart
C **G**
Find a heart to share
Am **F** **C** **G**
This heart that fills the soul will point the way to victory
F **G**
If there's a fight then I'll be there, I'll be there

C **G** **Am** **Em**
So for now wave good-bye, leave your hands held high
F **C** **F** **G**
Hear this song of courage long into the night
C **G** **Am** **Em**
And the wind will bear my cry to all who hope to fly
F **C** **F** **G**
Lift your wings up high my friend fearless to the end
C **G** **Am** **Em**
So for now wave good-bye, leave your hands held high
F **C** **F** **G**
Hear this song of courage ride into the night
