You Sang To Me Marc Anthony D I just wanted you to comfort me D When I called you late last night you see Bm I was falling into love Bm Yes i was crashing into love G Of all the words you said to me G About Life, The Truth, and Being Free D Yeah you sang to me Α Oh how you sang to me D Girl I live for how you make me feel So I question all this being real Bm Cause I m not afraid of love Bm For the first time I m not afraid to love G This day seems made for you and me G And you show me what life needs to be D Yeah you sang to me Α Oh you sang to me Refrão: D All the while You were in front of me D I never realized Bm I just can t believe I didn t see it Bm In your eyes

G I didn t see it G I can t believe it D Oh but I feel it Α When you sing to me D How I long To hear you sing D Beneath the clear blue skies Bm And I promise you This time I ll see it Bm In your eyes G I didn t see it G I can t believe it D Oh but I feel it Α When you sing to me

D Just to think of u inside of me D I had no idea how this could be Bm Now I m crazy for your love Bm Can t believe i m crazy for your love G The words you said just sang to me G And you showed me where I wanna be D You sang to me Α Oh you sang to me
