**F#m7 C#m7 Bm7**

Why won t you give me the time of day?  
Tell me the reasons that you run away  
Did I do something? Cause I m so confused  
Feels like you want me but you re afraid

**D5**

**C#m7**

So tell me what you want me to do

**D5 A**

**D5 A**

Oh Emily, don t be mean to me

**D5 A**

Emily, Oh Emily, don t be mean to me

You re doing things that are hard to read  
Oh, why are you fighting the chemistry  
Is there something in your past, did someone hurt you so bad?  
I just wanna set you free  
So tell me what you want me to do

Oh Emily, don t be mean to me  
I m just trying to find a way to your heart  
Oh Emily, will I ever be

The one you call when you are all alone in your bed  
The one that you try but you can t get out of your head?  
Emily, Oh Emily, don t be mean to me

**C**

**Bm7**

I think we might have a chance at something

**D**

**C#m7**

Don t try to tell me that you re not feeling it

**C**

**Bm7**

So why don t you just let me in?

**D5 A**

Emily, Oh Emily

Oh Emily, don t be mean to me

I m just trying to find a way to your heart  
Oh Emily, will I ever be

The one you call when you are all alone in your bed  
The one that you try but you can t get out of your head?  
When you done it all and you decide you want me instead  
Emily, Oh Emily, don t be mean to me  
Don t be mean to me

([Incomprehensible])  
Oh Emily, don t you be mean to me  
Oh Emily, don t be mean to me  
([Incomprehensible])  
Don t be mean to me
