EVIL THINGS â€” Marc Broussard

Tabbed by: Kengus

An amazing piano-driven ballad by Broussard. It was a bit difficult to get the chords working for guitar, but give these a go. The B7sus2 is something else, I know, but it kinda works. Try it out. (I think capo on 4th is perhaps the easiest way to go)

Standard tuning

Capo on fourth fret!

Em7 = 020030 C#m7#5 = x42200 E = 022100 Dsus2 = xx0230
A = x02220 D = xx0232 A#m7b5 = x12120 B7sus4 = x24252
B7sus2 = x24222 B7/D# = xx1202 Amaj7 = x02120 B7 = x24242
