

**Gotta Be More**  
**Marc Broussard**

-----  
GOTTA BE MORE - Marc Broussard  
-----

Tabbed by: Justin Greenley-Baynes  
Email: jg06445@yahoo.com

Tuning: Standard

**F# B6 D E A C# B**  
e|-2--4--2-0--0-4--2--|  
B|-2--4--3-0--2-6--4--|  
G|-3--4--2-1--2-6--4--|  
D|-4--4----2--2-6--4--|  
A|-4--4----2----4--2--|  
E|-2--2-----4-----|

F# and B6 make up the majority of this song. Get funky with it. I ll figure out the  
Capo version so you don t have to ice your hand every time you play this.  
The words and chords don t EXACTLY line up but that s the best I could do with  
my spacebar  
technique.

Intro F#, B6 about as long as you want...

**F#** **B6**  
Cast my eyes towards the sky  
**F#** **B6**  
Looking down on me  
**F#** **B6**  
So far all I ve seen are clouds  
**F#** **B6**  
But I m not gonna let em get me down  
**F#** **B6**  
No way, No how, Not ever, Not now

**D** **E** **F# B6**  
There s gotta be more here than what I see  
There s gotta be more here than what I see

**F#** **B6**  
Walking down the road again  
One step at a time  
So far all I ve seen are stop signs  
But I m not gonna let em get me this time  
My life Keep my head high Yeah

**D** **E** **F# B6**  
There s gotta be more here than what I see  
There s gotta be more here than what I see

**C#** **F#**  
Are those the clouds of my mind that hide the stars?

**C#** **F#**  
Will I ever find the road that leads me home again?

**C#** **F#**  
Does it seem so far From looking way to hard

**A** **B**  
Now I know my heart is where my searching all begins

**F#** **B6**  
High low is where I stand  
Looking for the man in charge  
High low is where I stand  
Looking for the man in charge  
High low is where I stand  
Looking for the man in charge  
High and low is where I search  
But you know that I didn t have to look this far

**D** **E** **F# B6**  
I believe there s more here to see Oh yeah

**D** **E** **F# B6**  
I believe there s more here to see

**D**  
Cause the dirt has been wiped away from my eyes and

**E** **F# B6**  
I know what I m supposed to be

**F#** **B6**  
There s got to be more [x5]
