

Our Big Mistake
Marc Broussard

Standard Tuning Capo 2

This song written by Marc is on his new album. Tells a story about missing his wife while on the road. There are a couple chords added that sound better when playing acoustically, but it is practically identical. The Cmaj7 can be a C or hammer the C..Enjoy---comments please. Jason

G **Bm**
Its been so long since I kissed you lips
Em **C9** - hammerC
I still think about that day.

G **Bm** **Em** **C**
Looking back at old photographs Baby is it wrong for me to say
 Am **G** **D** **Am** **G**
I don t feel to strong I feel weak I m still here all alone
D
And when I fall asleep

Chorus

C **Em** **Cmaj7**
I see you when I close my eyes
 Am **G** **D** **Em**
and baby you re right next to me holding me
D **C** **Em** **Cmaj7**
I feel you then I see the sun rise
 Am **G** **D**
and wondering where you could be
 Am **G** **Em**
Cause everything is gone away
 C **Am** **G** **D**
and now I m trying so hard to make it
 C **D** **Am** **G** **D** **C** **G D** x 2
but I still think that saying goodbye was our big....mistake

G **Bm**
The scent of you still on your pillow
Em **C9** - hammerC
Makes me think I m holding you
G **Bm**
When the morning comes I wish you were there
Em **C**
To wake me up the way you do
 Am **G** **D**
So will you pick up the phone so I can hear you speak
 Am **G** **D**
I m still here all alone every night I fall asleep whoa

Chorus

Bridge

C **Em** **D**
We both played a part with all the things we done wrong
C **Em** **D**
I m not trying to ignore but a part of me is gone
Am **G** **D**
And I don t want to feel this way anymore

C **Em** **Cmaj7**
I see you when I close my eyes
Am **G** **D**
and baby you re right next to me
C **Em** **Cmaj7**
I feel you then I see the sun rise
Am **G** **D**
And wondering where you could be
Am **G** **Em**
Cause everything is gone away
C **Am** **G** **D**
And now I m trying so hard to make it
C **D** **Am** **G** **D** **C** **G D**
but I still think that saying goodbye was our big....mistake
C **G D**....fade
