

Wanderer

Marc Broussard

G Bm C D
Dance for me sweetheart while I strum my guitar
Em F#dim G C
You sure look pretty tonight
G Bm C D
I ve just come off the road and I could use the company
Em F#dim G C
Now that would suit me just fine
G Bm C D
Now I ve seen a lot of special things around this world
Em F#dim G C
You can see them too, you can
G Bm
What s that you ask
C D
I have no name, I have no name
Em F# G
For I am know only as man
C D G
For I am know only as man
G F C
[Chorus]
I m a wanderer I have no place or time
G F C
I m just drifting on this lonely road of mine
G F C
And if you like you can come along with me
G F C
But I promise you that I am not the man I use to be
G F C
But I promise you that I am not the man I use to be
