Wanderer

Marc Broussard

More of the same -

G BmD Dance for me sweetheart while I strum my guitar You sure look pretty tonight \mathbf{Bm} D I ve just come off the road and I could use the company F#dim G C Now that would suit me just fine C D Now I ve seen a lot of special things around this world F#dim G C You can see them too, you can BmWhat s that you ask D I have no name, I have no name F# For I am know only as man For I am know only as man F [Chorus] I m a wanderer I have no place or time I m just drifting on this lonely road of mine And if you like you can come along with me But I promise you that I am not the man I use to be But I promise you that I am not the man I use to be
