

**Already Home**  
**Marc Cohn**

I play this quickly, with feeling. I m pretty sure that this is correct. If you have changes, make sure you let me know so that I can change my chart here at home. Thanks and keep playing!! I hope you enjoy my other Marc Cohn charts as well!!!

=====

Already Home  
Marc Cohn & John Leventhal

**F**////////**Am**////////**F**////////**Am**////////

**F** **Am**

Sometimes you got to go back, sometimes you don t know why (2X)

**F**  
I can see the sunshine coming through my room

**Am**  
Breaking down the winter of my discontent

**F**  
Looking out my window at the people passing by

**Am** **G**  
I keep wondering where my old companion went

**F**  
On the steps of the museum, I wrote a line or two

**Am** **G** **F**  
But it took a while to find my way back to something true like you

**F** **Am**  
This is where I lay my hat, this is where they know my name

**F** **Am** **G**  
This is where they show me that a man s not so alone - no

**G** **F**  
Maybe I m already home (Sometimes you ve got to go back)

**Am**  
Maybe I m already home (Sometimes you don t know why)

**F**  
Rolling down my window, burning up the daze

**Am**  
Cutting through the veil that keeps on blinding me

**F**  
I was only sleeping, waiting here for you

**Am** **G**  
Waiting for your touch that keeps reminding me

**F**  
Well I ve seen the world of wonders, been underneath it too

**Am**  
But it took a while just to find my way

**G** **F**

Back to something true that I like

CHORUS (Second Half 2X) Yeah Iâ€™m already home

**G** **G C F**  
Why it had to take me so long  
**F** **F C G**  
Just to find a place that really feels  
**G** **G C F**  
This must be where I belong  
**F** **Em** **F** **Bb** **F**  
Thinking about it all I had to do was click my heels

**F////////Am////////F////////Am////////**

CHORUS

(First Half 2X Only) Second time with vocal accent - you ll feel when!

**F////////Am////////F////////Am////////F////////Am////////** (Jam Out & Fade)
