True Companion by Marc Cohn

Capo 3rd fret

Intro:

**G/C    G/B    G**

Verse:

C G D G repeated until "I m gonna climb the mountain" where it changes  
to  
**D G C G**

Then at "My arms are reaching out"

It goes to Em G

Then back to C G D G for the last part

It then repeats twice more to make the entire song. Sorry this is so  
brief but I m at work.

Here are the lyrics to True Companion by Marc Cohn. You caught me on a good  
day - when I had time to type them all in.

Baby I ve been searching like everybody else  
Can t say nothing different about myself  
Sometimes I m an angel

And sometimes I m cruel  
And when it comes to love  
I m just another fool  
Yes I ll climb the mountain  
I m gonna swim the sea  
There ain t no act of God girl  
Could keep you safe from me

My arms are reaching out  
Out across this canyon  
I m asking you to be my true companion  
True Companion  
True Companion

So don t you dare and try to walk away  
I ve got my heart set on our wedding day  
I ve got this vision of a girl in white  
Made my decision that it s you alright

And when I take your hand  
I ll watch my heart set sail  
I ll take my trembling fingers  
And I ll life up your veil

Then I ll take you home  
And with wild abandon  
Make love to you just like a true companion  
You are my true companion  
I got a true companion  
True companion

When the years have done  
Irreparable harm  
I can see us walking slowly arm in arm  
Just like that couple on the corner do  
Cause girl I will always be in love with you

And when I look in your eyes  
I ll still see that spark  
Until the shadows fall  
Until the room grows dark  
Then when I leave this Earth  
I ll be with the angels standin  
I ll be out there waiting  
For my true companion  
True companion  
True companion

I hope this helps. Together with the previously posted chords, you should be fine.
