

Over You

Marc Scibilia

F Am G Am F Am G Am

F Am G
I can make a picture disappear
Am F
But the memories, still in my mind
Am G
Like the banks of Erie ever-clear
Am F
I go back there all the time
Am G Am
And find your house in the woods
F Am G Am
I d forget the way if I could

F
But I will never be over you
G
I will never move on
F
Even when I get over you
Am G
Part of me will belong
Em F
To you forever
Am G
I will die in your arms
F
Cause I will never be over you
G
Even when I move on

F Am G F Am G F
Yeah Yeah Woah

Am G
You don t have to call me anymore
F
I can hear the sound of your voice
Am Am G
In the way the rapids hit the shore
F
And I can t escape the sound they make
Am G
Inside of my head

F Am Am F

Most the time I have no regret

But I will never be over you
