```
E |-----|
B |-----|
G |-----|
D |--9h10-9-7-----| (X2)
A |-----9-7----|
E |-----|
```

Verse 1: (Repeat A, E, Bm) (The vocal timing is kinda sloppy. I wrote it as close as you can)

```
A E           Bm
  She came around here
A E           Bm
  Past midnight
           E           Bm
She s always looking soft and far away
A           E           Bm
  Yeah and she knows she s looking she s looking, looking alright (Yeah)
```

Chorus:

```
A           E           Bm D7
hey angel what you trying to be
A           E           Bm D7
Hey angel what you trying to be
           Bm
What you drinkin
           E
Just trying to be polite
           Bm           A
Looks like a Tanqueray and Kamikaze night
That s all right
           Bm           A
Why don t you climb on and ride
```

Verse 2:

Down my street, away with me
Instead of looking soft and far away
Come on why don t you learn to live a little
Dangerous

Chorus:

Hey angel what you trying to be

Hey angel what s the tragedy
What you drinking
A Nappa Valley white
Well it s a Tanqueray and Kamikaze night
That s right
Why don t you climb on and ride

Bridge: (A,E,Bm)
Ride little baby, alright
It s gettin late
It s gettin late
It s gettin late baby

Chorus:
Hey angel what you trying to be
Hey angel what s the tragedy
What you drinking
Just trying to be polite
Well it s a Tanqueray and Kamikaze night
Last call to climb on and ride
Take a chance... ..on some late night romance
