

Flag And Finger
Marcy Playground

Artist: Marcy Playground

Song: Flag and Finger

Album: Mp3

Verse 1:

So where o where do all the revolutionaries hide
Have they all decided not to come outside (Walk down notes B, Bb, A)

A **E**
Give me a simple sign

A **E** **B**
To know if you re alive...or dead

Chorus:

E
Just raise the flag and finger

B
And leave it there to linger

E
Yeah this is my solution
E **A** **E**
This is my American revolution

Verse 2:

B **E**
Let s take the condom off the microphone

A **E**
Cause there s no one to protect

A **E**
And no you can t spread disease
A **E** **B**
Through profanities...or your intellect

Chorus:

So I raise the flag and finger
and I leave it there to linger
Yeah this is my solution
This is my American revolution

Verse 3:

Freedom is fragile
Like the freedom to speak out
Yeah, the freedom to tell them
When to shove it where the sun don t shine

Chorus:

And we raise the flag and finger
And leave it there to linger

Yeah this is our solution

And this is my American revolution

Yeah this is my American revolution

Yeah this is my American revolution
