Verse 1: (Main Riff)

Rock and roll heroes
Keep me so mesmerized
In the confines of my room
I m moving to the sound
And rock and roll heroes
They help me sleep through the night
And in the morning wake up to that song
That played the night before

Chorus:

```
A          B
I may be a teenage rebel
A          B
I live life on bass and treble
A          B
but I know that these years
                    (Back to main riff)
They won t come again
```

Verse 2:

So I have rock and roll heroes
And baby I love them all
I got my headphones all turned up
Just cruising down the hall
Without my rock and roll heroes I would be miserable
And so everywhere I go
Ba-boom the radio

Chorus:

I may be a teenage rebel
I live life on bass and treble
but I know that these years
They won t come again
