[Intro]

**D A G D**

**D A Bm G**

[Verse 1]

**D**

You are the reason

**A Bm G**

For all the changes I have known

Oh, oh, oh, oh

**D**

You are the season

**A Bm G**

For all the memories that I own

Oh, oh, oh, oh

[Chorus]

**D A**

And I thank you from my heart

**D A**

And I thank you from my soul

**D A**

And pray we never part

**D A**

Til bells in heaven toll

[Verse 2]

**D**

You are the reason

**A Bm G**

That I wake up on rainy days

Oh, oh, oh, oh

**D**

You are the reason

**A Bm G**

I am the man you see today

Oh, oh, oh, oh

[Chorus]

**D A**

And I thank you from my heart

**D A**

And I thank you from my soul

**D** **A**  
And pray we never part  
**D** **A**  
Til bells in heaven toll

[Bridge]

**Bm** **D** **A** **E**  
I used to run, I was wild and free  
**Bm** **D** **A** **E**  
But I was lost, like no man should ever be  
**Bm** **D** **A** **E**  
Until the day when you took my hand  
**Bm** **D** **A** **E**  
And led me from that life to this Promised Land

[Chorus]

**D** **A**  
And I thank you from my heart  
**D** **A**  
And I thank you from my soul  
**D** **A**  
And pray we never part  
**D** **A**  
Til bells in heaven toll

[Outro]

**D**  
You are the reason  
**A** **Bm** **G**  
For all the changes I have known
