```
Thank You
Marcy Playground
[Intro]
DAGD
D A Bm G
[Verse 1]
You are the reason
            \mathbf{Bm}
For all the changes I have known
Oh, oh, oh, oh
You are the season
            Bm
For all the memories that I own
Oh, oh, oh, oh
[Chorus]
And I thank you from my heart
And I thank you from my soul
And pray we never part
Til bells in heaven toll
[Verse 2]
You are the reason
           Bm
That I wake up on rainy days
Oh, oh, oh, oh
You are the reason
        Bm
I am the man you see today
Oh, oh, oh, oh
[Chorus]
And I thank you from my heart
And I thank you from my soul
```

D And pray we never part Til bells in heaven toll [Bridge] I used to run, I was wild and free But I was lost, like no man should ever be A E Until the day when you took my hand D A And led me from that life to this Promised Land [Chorus] And I thank you from my heart And I thank you from my soul D And pray we never part Til bells in heaven toll [Outro] You are the reason For all the changes I have known
