Intro: **G5**

Verse 1:

G5

Yellow is the warm and friendly radiating ball of love

C5

Sits up in the coolness of the calm the cooling moon above

G5

I m implanted firmly, by the spinning of this media

C5

Erases through the emptiness of all that is exterior

Chorus:

C5

D5

Is this what it feels like?

C5

D5

Is this what it feels like?

C5

D5

G5 C5 G5

Is this what it feels like to be a plant?

Verse 2;

Red is pumping something by the gallons through the all of me
And I ll be damned if I ll have something pumping through the all of me
Green is not my color but the composition of my blood
I never trust a botanist. They dig in dirt. They play in mud.

Chorus:

Is this what it feels like?

Is this what it feels like?

Is this what it feels like to be a plant?

Is this what it feels like?

Is this what it feels like?

Is this what it feels like to be a plant?
